

# The Rhinelander Area Food Pantry Garden

## Growing Food Security

Volunteer founded and operated, the Rhinelander Area Food Pantry Garden has been growing fresh, local and organic vegetables for our customers since 2006.

Our operations expanded in 2014 with the addition of the RAFP Garden Greenhouse located at the Food Pantry.

In 2025, the RAFP Garden harvested 2,321 pounds of produce valued at \$9,285.

The garden is a natural at bringing together gardeners of all ages and skills.

The RAFP Garden believes in sharing our passion and knowledge for growing healthy food.

We encourage volunteers and visitors!

Learn more at [rhinelanderareafoodpantry.org](http://rhinelanderareafoodpantry.org)

In 2025, 12 volunteers dedicated 385 hours to the RAFP Garden & Greenhouse and RAFP Front Porch Garden.

The RAFP Garden grows more than just veggies.  
Thank You to our sponsors, funders & community partners!
